RE : **LEARNING MIGRATION TO THE E-ACADEMY**

In view of the on-going Covid-19 Virus Pandemic the school management is availing all learning through KESRA's e-Academy platform in line with the Ministry of Education directive.

This measure is meant to mitigate the current semester interruption and ensure continuous learning by all learners in all our programmes, which include: Certificate, Diploma, Post Graduate and Masters. To this end, the e-Academy team is currently developing the student portal for accessing the platform. Learner support will be offered on real-time basis and the schedule showing the times each lecturer will be available online to provide effective support will be availed.

Kindly note that the learning via the portal is a precursor to the end of semester exam when learning resumes. In case of clarification please liaise with the class coordinators as follows: Festus Koech 0723-547-477 Tax and Masters and Patrick Gatheru on 0715-133-337 Customs and EACFFPC

I wish you best of luck in the new learning platform and hope you will have a fulfilling learning moment.

Dr. Emmah Omwenga
