**RE: STUDENTS' ONLINE COUNSELING SERVICES.**

---

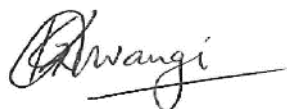

The above subject matter refers.

Guidance and counselling is the process which helps the students to know their skills, interests, personality that will help them in personal development. It specifically seeks to orient students in the most suitable direction as well as support and empower them to improve their mental, emotional health and wellness.

It is for this reason that KESRA has established students' Guidance and Counselling Office. You can therefore access Online Counselling services through the following phone numbers available 24hrs:

- i) Loise 0710 180 836
- ii) Maryanne 0723 823 195

Thank you.
